WORK EXPERIENCE

SAGE DIGITAL CREATIVE AGENCY   NY
Web Developer Intern   Jun 2021 – Sep 2021
- Worked through the software development life cycle gathering user requirements and building the code for the tool, which saved the employees 6 hours each month in manual labor.
- Developed in-house web application using Node, HTML/CSS that allowed employees to manage monthly subscriptions and increase conversions.

CAPSTONE PROJECTS

IBM FULL STACK CAPSTONE PROJECT   Sep 2022
- Built a National Car Dealership Company's website that allows new and existing customers to look up different branches of the company, create an account on their website and add reviews for any branch.

SIMPLE INTEREST CALCULATOR PROJECT   Jul 2022
- Built a responsive Simple Interest Calculator App with Html, Css, and JavaScript, allowing users to input a certain amount of money they wish to save, the number of years of maturity, and the interest rate, then the projected payout is calculated and outputted.
